PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 16th August in the Committee Room in the Village Hall.

Fires

The Parish Council was most concerned to hear that two boys had been found lighting fires in the copse between Appletrees and The Brambles. Not only could this be extremely dangerous to the boys concerned but it could also result in the destruction of one of the few wild and natural areas remaining in Bar Hill. It is our duty to preserve these areas for the future and to this end the Council has insisted on stringent measures being taken to protect the copse during the building work being done in the area. A very serious view will be taken of anything which could cause damage to the copse or any other wooded area and the council reminds parents that they can and will be held responsible for any damage caused by their children.

Cycling on footpaths

The Council appreciates that many people use the footpaths in the village for cycling and that most of them are extremely careful and responsible in their use of the paths. However, recently there have been several cases of cyclists riding at high speed and not exercising proper caution when turning blind corners. If you cycle on the footpaths please bear in mind that there could well be young children playing round the corner or an elderly person, and take more care, before somebody is injured.

The Mall

As reported in last month's news, the Council would like to encourage anything which may improve the appearance and facilities of The Mall and to this end it is hoped to arrange a meeting with representatives of Tesco to discuss the matter at length.

Bus Routes

The Parish Council is still in correspondence with Eastern Counties concerning the bus route, as are several local residents. It seems to be very difficult to find a solution which will suit everyone, but Eastern Counties have now advised us that with the opening of the Grafton Centre in Cambridge in the near future, the Bar Hill Service will be re-routed through Cambridge, which should cut down considerably on the waiting time at Bar Hill.

The next meeting of the Parish Council will be held on Tuesday 20th September at 7.30pm in the Committee Room in the Village Hall.

BAR HILL CHURCH

The Village Church is jointly sponsored by the Baptist Union, The Church of England, the Methodist Church, The Religious Society of Friends and the United Reformed Church.

You are warmly invited to share any of our services with us.

DOG CLUB

A dog club, run by an experienced dog trainer, with the needs of your pet in mind is being formed to meet in the school hall. Initially it will be simple obedience which all dogs and their owners should enjoy. If the interest is there and the dogs and owners are able to cope, a more demanding class will be created. The club will meet on Friday evening at 7.00 to 9.00 pm. The numbers will be limited. Informal enquiries to the school as possible after 7th September and more details will appear in the October Newsletter.

From October 2nd it will only be open on the first Sunday of the month, so now is the time to stock up on all your winter requirements. New products are continually being considered at the shop and it is worth visiting to try new products at nominal expense.

We regret that only members may be served at the shop but since membership is only 50p a year, this can be saved on your first purchases.

Seeds and Bulbs at bargain prices

Seed lists will be available to all members on receipt of their subscriptions. Anyone wishing to purchase bulbs please contact Bill Elchick (81692) who has a bulk order catalogue available for viewing. Anyone looking for more unusual plants or bulbs please contact Heather Sales (80859).

Lawnraker and Lawn Aerator

Now is the time to get your lawn ready for winter. By clearing old grass cuttings and aerating the soil you will deter moss and give the grass plenty of room to get going in the spring.

The above items are available for hire by members, from Dr. Bal Abrol.

THE CO-WORKERS OF MOTHER TERESA

Yes I am still running the group - no-one came forward to take over from me but we have reorganised it to take some of the work from me - thank you the good old faithful workers.

Now, once again may I say we are NOT a Catholic group working for Catholics. We have a Methodist, a Baptist, members of the Church of England, people who do not attend any church, and we help ALL people who require our help in Cambridge, London and, yes, in Bar Hill if need be.

So PLEASE we require all your old but CLEAN AND WEARABLE shirts, dresses, children's clothes, toys, etc.

Some of these we remake and send to India, but if they are too good to cut up we sort them and pack them up for Single Parents, Battered Wives, two Homes run by the Co-Workers in London, and to people living in homes in Cambridge.

Can you do PLAIN knitting ? Can you knit squares - 6" each square and then sew them together, 6 squares by 4 squares to make cot blankets ? We have the wool, although we can always do with more. WHY NOT COME TO A MEETING and see what we do ? Winter is coming, find a new interest and at the same time help others less fortunate than you. We meet the FIRST TUESDAY OF THE MONTH

61 HOLLYTREES
2.30 to 5.00 p.m.
8.00 p.m. onwards.

You do not have to come on the dot of time - come when you can and leave when you wish, do some work or just chat and put your ideas forward.

Have you noticed I do not mention MONEY ? We do not ask for it - not even for your coffee.

If you do not like coming to a group just give me a ring and come for coffee and a chat, you can always work from home.
